### Department Director Meeting of Monday, January 23, 2012

Congratulations go out to Mike Romanko of the Water Plant, for competing in the 26.2 mile marathon at the Walt Disney Theme Park on January 8<sup>th</sup>. Mike has been training for several months and competing in smaller marathons to prepare for this event; he did quite well!

At its next meeting on February 1, City Council will review the proposal process for establishment of an Employee Health Center (aka clinic). The staff committee evaluated and interviewed four proposers – Millennium, Charlotte Regional, Health Stat and CareHere. Information about the City's employee health insurance trends and health center characteristics will be available in the agenda packet posted on the City's website on Friday, January 27.

On Sunday, the "Force" of the Punta Gorda Police Department played Charlotte County Special Olympics' basketball team, the "Cougars". Telecommunicator Gloria Sepanik of the police department has been coaching approximately 35 local Special Olympians for approximately 3 months in preparation of the game. The Cougars hit hard and fast jumping to an early lead with their newly learned skills. The Olympians handled the police personnel with ease and the game ended at 60-23. Members of the department continue their outreach efforts in the City through team sports.
