### Citizens Academy

The Police Department hosted the Citizens' Academy at the Public Safety Building. Police Chief Pamela Davis provided an introduction to participants and introduced agency staff members who were present. Participants were given a tour of the facility, met Police canine Chase, and were provided with informational displays of the Marine Patrol, Uniform Patrol, and Bicycle Unit vehicles and equipment.

## Training

Public Works Sanitation Supervisor Hope Petkus and Public Works Traffic & Safety Coordinator David Meyers attended APWA Paving the Road to Success for Leaders in Public Works training. APWA (American Public Works Association) provides public works supervisors, crew leaders, and managers with the skills that are vital to managing a highly functioning workplace.
