

Florida's Harborside Hometown

INFORMATION SHARING REPORT April 27, 2020

Congratulations:

City Manager Howard Kunik celebrates a 15 year service award in April of 2020.

Best Wishes:

After 32 years in the Billing and Collections office, Shelley Barber is hanging up her phone headset and happily dancing off to a life of leisure! Shelley spent several years in the field as a meter technician before getting out of the heat and into the air conditioned office, where she quickly became a customer favorite. We will surely miss her infectious laugh and excellent customer service skills. Due to COVID-19 we are unable to invite staff to a farewell gathering that Shelley truly deserves, but we ask that you send her a card or email with your well-wishes.

Welcome:

Charles "Chuck" Pavlos has started as Interim Director of Utilities. Welcome to the City of Punta Gorda team.
