DISCLAIMERS:

All requirements are subject to possible modification to reasonably accommodate individuals with disabilities. Individuals who cannot perform some of the requirements because they pose health or safety risks to themselves or other employees may be excluded from this position.

This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees will be required to follow any other job-related instructions and to perform any other job-related duties requested by this supervisor.

Requirements are representative of minimum levels of knowledge, skills and/or abilities or aptitudes to perform each duty proficiently.

This document does not create an employment contract, implied or otherwise.

EMERGENCY RESPONSE STATEMENT:

Every City employee has emergency response responsibilities, though not every position will require routine assignments during an emergency event. All employees may be subject to recall around the clock for emergency response operations, which may require irregular work hours, work at locations other than the normal work location, and may include duties other than those specified in the employee's official job description. Assignments in support of emergency operations may be extensive in nature, with little advance notice, and may require employees to relocate to emergency sites with physically and operationally challenging conditions.

I have read and understand the contents of this Job Description. I certify that I am capable of carrying out the Essential Functions and Duties of the job as specified.
