Group Policy Error

Group Policy message not allowing your machine to continue with login? Your machine continues to spin and go no further? Do Not reboot your machine, as this will not resolve the issue. Contact the Help Desk at ext. 3333 to advance to the login screen.

Employee Self Service Login

The Self Service Portals on the city's website is a closed system. The cities Help Desk does not have access to change your password or reset. If you are a resident of the city and have used the same email address for both requests, you will be locked out of both. The system takes approximately 15 minutes to unlock your account.

I WANT TO Login (IT is in the process of changing out the logos) -
