## IT TIDBITS:

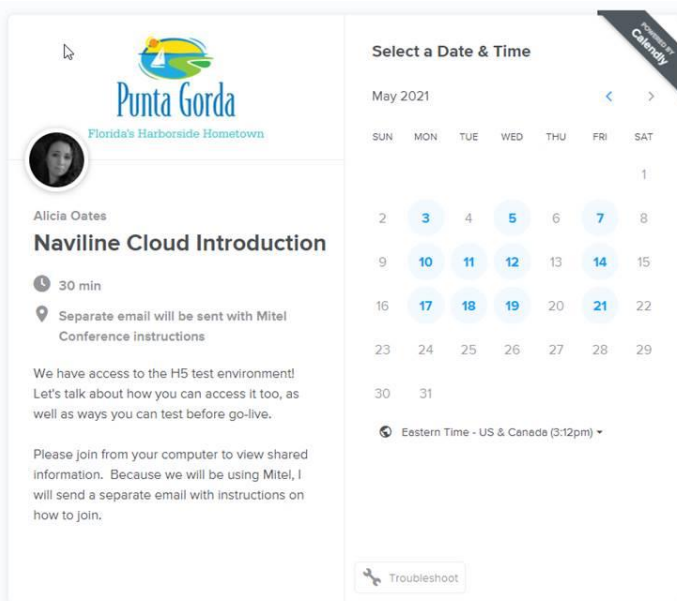

NaviLine to Cloud

### NaviLine to Cloud–

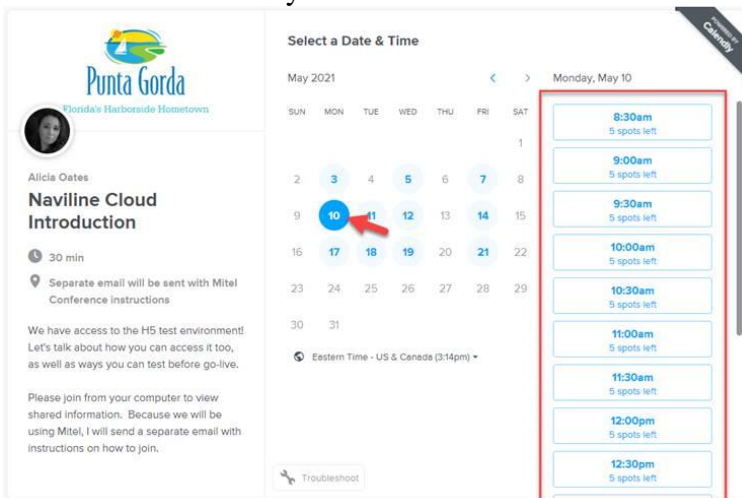

The kickoff has begun for testing our Naviline Cloud environment. Our first group of users was out of Finance and Procurement. Additional users will be scheduled in May.

### Calendly –

IT is testing out a new scheduling tool called Calendly. A link for the event will be provided in the email invitation. Sample booking page located below:

The user can select any date to view available time slots:

To book an appointment, click on the desired time frame then hit 'Confirm'.
