What is the Historic Preservation Advisory Board

The board is a seven member with two alternates group of Punta Gorda citizens that donate their time to identify for the City Council historically significant structures and sites that should be considered for designation as a "Local Historic Landmark" or be nominated for listing on the Florida Master Site File and the National Register of Historic Places. The board makes policy recommendations for the protection of historically significant structures and sites. The board makes recommendations to staff regarding certificates of appropriateness for any demolition, variance, sign or relocation of structures. The board also promotes public awareness of historic archaeological preservation and its community benefits.

WORKING TO SAVE HISTORIC STRUCTURES FROM DEMOLITION

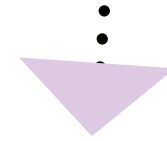

AND SUPPORTING THE RESTORATION PROCESS

403 W Olympia Ave

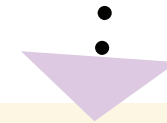

It is our goal to preserve the unique history of Punta Gorda and to keep alive our heritage for all to enjoy.

WHAT CAN I DO ?

In order to continue our various projects, we need your financial help. For example, we are in the process of bringing back an award program that honors properties/citizens for their efforts in maintaining and/or enhancing historic structures in the downtown area.

WHY SHOULD I ?

Our city boasts hundreds of historic structures that give it charm and attract visitors and tourists. It is in the interest of all residents to help reward homeowners who preserve this heritage.
