INFORMATION SHARING REPORT June 28, 2021

Congratulations!

Who would ever imagine such a happy ending would occur after a devastating hurricane such as Irma in September 2017? As the city employees took refuge from the storm in the water plant Jenna Blackway from the Public Works Department, and Jeff Wright from the Fire Department were introduced. From that point on they were inseparable, became engaged and were married April 21, 2021. We would like to congratulate Jenna and Jeff Wright on their marriage, somethings are just meant to be!
