

INFORMATION SHARING REPORT

July 19, 2021

Congratulations

15 years of service! Joan LeBeau started her career with the City as the Urban Design Chief Planner and her 1st task was a complete re-write of the Comprehensive Plan. Joan is a certified Arborist and has worked on many City landscape and beautification projects. Joan has also served as the Urban Design Manager and more recently promoted to Urban Design Director. Congratulations Joan!

Way to Go

The Waste Water Treatment Plant has earned the Florida Water & Pollution Control Operators Association Safety Award 2020 in the Wastewater B category. Congratulations to all involved in earning this prestigious award.

Tell us about your City of Punta Gorda Pets

The benefits of sharing your life with a pet are many. Pets can help manage loneliness and depression by giving us companionship. They can increase opportunities to exercise, get outside, and socialize. Regular walking or playing with pets can decrease blood pressure, cholesterol levels, and triglyceride levels. Studies have shown that the bond between people and their pets can increase fitness, lower stress, and bring happiness to their owners.

Information Sharing is the perfect place to share a bit about the pet(s) in your life! I'll go first.....

Meet Roosevelt Reichert

"Rosie" is a 125 pound eight-year-old English Cream Golden Retriever lap dog

Likes: napping under the camper, napping on the fluffy rug in the living room, sleeping on the bed, vanilla frozen custard, rest areas across the country (especially the Love's gas stations that have dog parks), and his daily Canadian bacon treat from his dad's egg McMuffin

Dislikes: thunderstorms, fireworks, and smoke detector beeps when the batteries need to be changed

Favorite Punta Gorda Places: Hounds on Henry, Downtown Farmers Market, and History Park

Send your pet's story and photos to mreichert@cityofpuntagordafl.com to be featured in Info Sharing
