

Florida's Harborside Hometown

INFORMATION SHARING REPORT JANUARY 3, 2022

WELCOME:

Public Works welcomes new employees Robert Auer and Joseph McWhirter to Right of Way as Maintenance Workers I.

IT TIDBITS:

Available to ALL Employees – Skillset online training.

Skillsets provides online training courses on a variety of topics both IT and Non-IT related. There is a huge library of courses and hands on labs for these trainings. A list of available courses is posted on the General (Z: drive/Skillsets Training).

Please feel free to log in to the site and review the courses available.

HANDS-ON LABS

SKILLSETS SILICON VALLEY

CLICK HERE

Next click on View Menu of Titles. Select Course Login from the page below.

The screenshot shows the Skillsets Silicon Valley website. On the left is a vertical navigation menu with the following items: a gear icon, the logo 'SKILLSETS SILICON VALLEY "FIX-IT-FASTER"', 'VIEW MENU OF ALL TITLES' (with a red box around the text), 'MY DASHBOARD LOGIN', 'HANDS-ON LABS LOGIN', 'COURSES LOGIN' (with a green arrow pointing to it from the text 'CLICK HERE'), and 'ABOUT US'. The main content area features a red header 'Quick Links to Popular Topics' with a 'Contact Us' button. Below this are several red buttons for various topics: Cloud Computing, Microsoft Azure, CISSP, Windows Server 2019, Microsoft Teams 365, CompTIA, Amazon Web Services, Cisco, Artificial Intelligence, ISACA, VSphere 7, Google Workspace, End User Courses, and Business Courses. Below the buttons is the text 'Scroll Down to See Menu of All IT Courses:'. At the bottom of the main content area, there is a 'COMPREHENSIVE COLLECTION' section with a list of titles including 'Title: ESXi Host Configuration', 'Title: VM Provisioning, Tools, Files, and Containers', and 'Title: vCenter Server Architecture, Appliance, and Inventory'. A 'Back to Main Page' button is located at the bottom right.
