MEDIA ADVISORY

Harborwalk Phase two parking lot and uplands improvement project construction is scheduled to begin the week of April 11th and continue to the end of this year, weather and COVID related materials delays depending. The existing parking lots between Gill Street and Gilchrist Street will be closed.

The project consists of demolishing existing parking lots, sidewalks, and some landscaping and street trees. The new configuration constructs new on-street parking, parking lots, crosswalks, sidewalk connections, and patterned textured pavement to include pavement markings and landscape.

Travelers are requested to use extreme caution while workers are present in the right of way and allow additional time for travel as temporary delays are anticipated.

If you have any questions, please contact Linda Sposito, Sr. Project Manager, Public Works Department, at (941) 575-5060 between the business hours of 8:00 a.m. – 4:30 p.m., Monday through Friday.
