

# State Non-Congregate Sheltering Program

## Fact Sheet for Impacted Residents

**FEMA Individual Assistance is currently available to 18 counties in Florida** – Charlotte, Citrus, Columbia, Dixie, Gilchrist, Hamilton, Hernando, Hillsborough, Jefferson, Lafayette, Levy, Madison, Manatee, Pasco, Pinellas, Sarasota, Suwannee, and Taylor.

FEMA is providing multiple forms of housing assistance to residents in these counties and administering a Direct Temporary Housing Mission to the nine (9) most impacted counties - Dixie, Gilchrist, Hamilton, Jefferson, Lafayette, Levy, Madison, Suwannee, and Taylor.

In addition to FEMA assistance, the State, through the **Florida Division of Emergency Management (FDEM)**, in partnership with the **American Red Cross**, will provide Non-Congregate Sheltering in the form of travel trailers and hotel rooms for survivors in these 16 Individual Assistance-designated counties whose homes are uninhabitable.

This is a short-term (6-month) program with a focus on transitioning disaster survivors into longer-term housing.
