Gilchrist Park Pickleball Courts Temporarily Closed

The City of Punta Gorda is temporarily closing the Gilchrist Park Pickleball Courts, effective immediately. This temporary closure is in response to a proactive safety measure taken by our crews to dismantle sound barriers before predicted wind gusts on Saturday.

Following the removal of the sound barriers, the panels will be promptly rehung early next week. This process is expected to be completed efficiently, and every effort will be made to ensure minimal disruption to the Pickleball community. The City of Punta Gorda anticipates that the courts will reopen for public use by or on Wednesday morning.

We appreciate your cooperation and understanding during this brief closure.
