

# INFORMATION SHARING

JAN. 24, 2024 |

## Welcome

Carlos Diaz Padron, Maintenance Worker I, Right of Way

Frank Timmerman, Fountain and Playground Technician, Parks & Grounds

## Public Works Retirement

Earlier in January, Public Works celebrated Greg Howard (Seawall Construction Inspector) as he retires after his 6.5-year career within the Canal Maintenance Department. His contributions to the Canal Maintenance Department will be missed, along with his great sense of humor! His Public Works family wishes him and his wife Michelle the very best in retirement!
