

MOTOR OIL DISPOSAL

Effective October 1, 2015, Waste Management will be the service provider for the curbside recycling program. City residents may now call Public Works 941-575-5050 to schedule a pick up for used motor oil on their recycling day.

City Residents can place used motor oil at the curb, use a self-contained receptacle with a screw on lid. Waste Management's trucks will be equipped with a special compartment to transport motor oil containers.

Residents may also take used motor oil products to Advanced Auto Parts, located within the City, to dispose of their used oil products.
