## Congratulations

- Jack Andreu has been promoted to Right of Way Worker II.
- Gavin Spencer, our Water Treatment Plant's Instrumentation and Controls technician, graduated Summa Cum Laude with his Bachelors of Science in Engineering Technology from Daytona State College, May 14th. Gavin started at the water plant in May 18th of 2020 while working on his associates in science degree in Engineering Technology at Polk State College where he graduated magna cum laude. He then enrolled at Daytona State College full time while continuing to work full time at the water treatment plant.
