City of Punta Gorda Advises Public on Construction Activity and Caution Around Dog Park and PRWC Lease Area

PUNTA GORDA, [June 21, 2024] — The City of Punta Gorda would like to inform residents and visitors about ongoing construction activities near the dog park parking area and the ground lease area designated for the Peace River Wildlife Center (PRWC). This construction includes the movement of large equipment and requires caution from those frequenting the vicinity.

The construction efforts are part of our ongoing commitment to enhancing public amenities and supporting our local wildlife conservation efforts through partnerships with organizations like PRWC.

Key Points to Note:

Location: The construction activity primarily affects the dog park parking area and the adjacent ground lease area for PRWC, as highlighted in the attached aerial map.

Nature of Work: Large equipment will be maneuvering within these areas as part of the construction process.

Caution Advised: For the safety of all visitors and nearby residents, we urge everyone to exercise caution and be aware of their surroundings when in these areas.

The City of Punta Gorda appreciates the community's understanding and cooperation during this period of construction. These improvements are aimed at enriching the recreational experiences available to our residents and guests while continuing to support vital conservation efforts.

For further inquiries or concerns regarding this construction activity, please contact the City of Punta Gorda Public Works Department at (941) 575-5050.

Map: The highlighted portions of the aerial map below indicate the specific work areas affected by the construction. Please refer to this map for clarity on the locations mentioned.
