MEDIA ADVISORY

Due to the advanced construction schedule of the Peace River Wildlife Center, the Hounds on Henry Dog Park will be closed until early 2025. This project will allow for additional parking, landscaping and improved ADA access to the facility, providing an enhanced experience for this important Punta Gorda facility. In the interim, Charlotte County's Katherine Ariens Dog Park located at 22410 Glass Lane, Charlotte Harbor, FL 33980 is available nearby.
