

Vehicle Repair or Replacement

Floridians who were affected by Hurricanes Milton, Helene or Debby may be eligible for FEMA assistance to repair or replace a vehicle.

FEMA provides financial help after a disaster for eligible expenses not paid by insurance or other sources. This may include repair or replacement of a vehicle. The damage to the vehicle must have been caused by the disaster and the vehicle must no longer be operable or safe to drive. Cosmetic repairs will not be covered. Assistance is usually limited to one vehicle. If there is a second functional vehicle in the household, the applicant must certify in writing that the damaged vehicle is essential for household's daily use. Other factors to note:

- The vehicle must comply with state registration and insurance requirements.
- The vehicle must be owned or leased (not a rental) by the applicant, co-applicant, or household member.
- The damaged vehicle must be an approved vehicle type, such as a car, truck, SUV or van.

Homeowners and renters are encouraged to apply online at DisasterAssistance.gov or by using the [FEMA App](#). You may also apply by phone at **800-621-3362**. If you choose to apply by phone, please understand wait times may be longer because of increased volume for multiple recent disasters. Lines are open every day and help is available in most languages. If you use a relay service, captioned telephone or other service, give FEMA your number for that service. For an accessible video on how to apply for assistance go to [FEMA Accessible: Applying for Individual Assistance - YouTube](#).

If you applied to FEMA after Hurricanes Debby or Helene and have additional damage from Hurricane Milton, you will need to apply separately for Milton and provide the dates of your most recent damage.
