Pablo Bernet, Canal Maintenance
Worker I, Canal Maintenance,
Public Works

Rigo Morales, Canal Maintenance
Worker I, Canal Maintenance,
Public Works

Way to Go

A Public Works Shout out from Jennifer Daumann - to the Sanitation Crews along with other Public Works crews who have worked 7 days a week after back-to-back Hurricanes. Always know that your efforts and sacrifices with time away from your families and personal lives never go unnoticed during times like this. Team members like you show the pride that evolves from Public Works employees.

Bright Spots

We would like to extend our heartfelt gratitude for our incredible vendors and generous donors that made our Neighborhood Fall Festival a resounding success! Your contributions, time, and energy helped bring our community together for an afternoon of fun, food, and connection.

Halloween isn't just for kids! Public Works furry kids enjoyed the spooky celebrations. Pictured below (Hazel) Laurel's new puppy and (Gracie) Dave Meyer's lovable pooch!

Way to Go

We're excited to share some fantastic feedback about our Wastewater Collections team. Leonard Harris, John Shell, and Frank Zaccaro were praised for their promptness, courtesy, and professionalism after responding to a sewer line break on San Massimo Drive. A resident called to commend their excellent service. Together, with nearly 40 years of service and experience in the Wastewater Collections division, they exemplify the dedication and skill we value in our team. Thank you, Leonard, John, and Frank, for your outstanding service!

With resident satisfaction as our top priority, we always welcome and value your feedback! You can send feedback to Utilities@CityofPuntaGordaFL.com or call 941-575-3339

Way to Go

Public Works congratulates Matt Grenier, Sanitation Worker II on celebrating five (5) years of service to the City of Punta Gorda. Matt works expeditiously and always gets his routes done promptly. He's always helping other routes and has a smile on his face. Thanks for all you do Matt, it does not go unnoticed!
