

Dear Preferred Member:

As we near the start of the 2015 hurricane season we've put together some of the essential information you may need in the unfortunate event a storm occurs in your area. It's our hope that you and your community will be spared any damage during this storm season but as always wanted to provide you with pertinent claims information should the need arise.

Enclosed please find the following information:

- The Preferred Response Flyer
- Claims reporting process
- Blank Acord loss notices
- List of Preferred vendors
- Current copies of your property and inland marine schedules (as applicable)

In previous year's mailings, we provided waterproof envelopes and hope you will file this information in the envelope for safe keeping. We wish everyone a safe and uneventful storm season. If you have any questions or require additional information please feel free to contact our office.

Thank you,
