On August 9, 2016 at approximately 7:30 pm I responded to the Punta Gorda Police Department for an officer involved shooting. Upon arriving at the police department I was briefed on the incident and directed to go to Lee Memorial Hospital in Fort Myers to collect the victim`s clothing and any projectiles recovered from the victim. While enroute to the hospital I was contacted by Lt. Cochran who advised me the victim was deceased and to cease the collection of any evidence. I was also advised FDLE would be responding to the hospital and assist them with any needs.

Upon arriving at Lee Memorial Hospital I made contact with Officer Pribble who was present with the deceased in the trauma unit. I stood by and awaited the arrival of personnel from FDLE. Once personnel from FDLE arrived I briefed them on the situation and stood by until cleared from the hospital.

After clearing from Lee Memorial Hospital I responded back to Punta Gorda Police Department where I made contact with Victim Advocate Ed Furstein. I escorted Ed Furstein to the 1625 Montia Court to make contact with the spouse of the deceased. While enroute to the residence I was contacted by Officer Pribble who advised the spouse of the deceased wished not to speak with anyone or have any contact. I arrived at the residence and stood by while Ed Furstein placed a business card in the door of the residence. I then returned back to the police department.

On August 10, 2016 I assisted FDLE with a search of the Public Safety building parking lot for a spent round. In addition I was asked to identify any previous damage on police unit 70. The damage I observed to the vehicle was not pre-existing to my knowledge.

they were needed.

F.D.L.E. S.A.C. John Burk and S.S.A. Patrick Crough arrived at approximately 8:15 p.m. and met with Lt. Cochran and S.A.O personnel. S.S.A. Crough advised he had additional special agents responding along with Crime Scene Tech Lee Dewey.

Lt. Cochran advised all outside entities that any needed work space, equipment or assistance was available to them. FDLE requested the interview room cameras be turned off as they do not video record their statements.

As agents arrived they were given interview and office space. Lt. Cochran and Corporal Davault provided logistic support rotating both civilian and police witnesses to them for recorded statements. The civilian witnesses interviewed were documented on the class roster provided by the Punta Gorda Chamber of Commerce. This roster was later scanned into the file.

Lt. Cochran requested Victim Advocate Ed Furstein make himself available at the police department to speak with any witnesses that were affected by the incident.

S.S.A. Crough identified the case agent as S.A. Gary Negrinelli who was present on scene.

Captain Jason Ciaschini retrieved the video data from the departments outside security cameras and provided a copy to F.D.L.E. investigators to view.

At the conclusion of interviews being conducted and the crime scene being released S.S.A. Crough advised that they were leaving for the night at approximately 2:25 a.m. and would return at 9:00 a.m. on August 10th to survey the immediate crime scene around the vehicles along with Officer Coels patrol vehicle in the day light.

Lt. Cochran and Lt. D. Lipker determined the crime scene would remain intact and manned until the following day when F.D.L.E. arrived. Lt. Lipker advised that he had provided S.A. Tissot with his digital camera at the time of his interview and had not received it back. He advised it contained photographs of the scene immediately after the shots were fired and while fire personnel were working on the victim.

At 9:00 a.m. on August 10th Lt. Cochran met with S.A. Negrinelli, C.S.T. Lee Dewey and S.A. Michael Ortiz at the police department. They requested additional personnel for a grid search of the areas near the police vehicles used in the scenario. They had determined four rounds were fired and three bullets were accounted for leaving one outstanding. Lt. Cochran employed the help of detectives and fire fighter personnel to assist. After several searches the bullet remained outstanding.

Lt. Cochran stood by as S.A. Negrinelli and S.A. Ortiz re-searched Lee Coel's patrol vehicle. Taken from the vehicle was an empty blue plastic gun box, two partial boxes of CCI Blazer wad cutters, three boxes of

Winchester 38 caliber blanks, one box of 380 caliber blanks and a silver revolver with no cylinder.

The items were seized by C.S.T. Dewey who stated he would forward a copy of the property receipt to Lt. Cochran later in the day.

S.A. Ortiz interviewed Detective Davoult as he had participated in the event but left prior to the scenario based training.

During the course of the search Officer Coel's protective vest and duty belt were removed from the vehicle and turned over to Lt. Salsman who placed them into the armory for safe keeping. This included his duty weapon and Taser. Lt. Salsman and Captain Nichols later removed the AR-15 from the rack and also placed it into the armory for safe keeping.

At the direction of S.A. Negrinelli the crime scene was dismantled and cleared.

The unmarked vehicle used in the scenario and officer Coel's patrol vehicle were placed in storage at the Cooper St. Complex and later sealed.

On August 11, 2016 S.A. Negrinelli requested victim advocate assistance for three witnesses they had interviewed the evening of the incident. they were Fred Sepanick, Deborah Malinoski and John Pryor.

Lt. Cochran provided the names to Advocate Ed Furstein who then made contact for additional counseling for them.

On August 11, 2016 Lt. Cochran turned over a 3TB portable hard drive to S.A. Tissot which contained all files available on Officer Coel at the police department as well as additional video data from the parking lot security cameras which showed the rear lot from approximately 4:30 p.m. to 6:00 p.m. S.A. Tissot returned Lt. Lipker's camera at that time.

Lt. Cochran submitted the camera into evidence.

Lt. Cochran, Captain Ciaschini and C.S.T. Dille removed the narcotics training aids currently checked out by officer Coel from his locker room locker and submitted them back into evidence.

On August 12, 2016 Lt. Cochran met with S.S.A. Crough and S.A. Negrinelli. They inquired as to source of the 38 caliber wad cutters found in Officer Coel's patrol vehicle. Lt. collected and turned over to Detective Corporal Davoult who later turned it over to Lt. Cochran. The magazine had 39 rounds of range ammo stored in it but had been emptied into a second bag prior to Officer Dean providing it to Corporal Davoult.

The policy regarding rifle ammunition and accessories was reviewed and it did not appear to be a violation of policy for the extended magazine or rounds to be in the k-9 vehicle. The magazine and practice rounds were placed into the armory vault for safe keeping next to Officer Coels rifle and additional magazine.

On December 28, 2016 Lt. Cochran spoke with S.A. Negrinelli. S.A. Negrinelli requested that the calls by Officer Coel referenced in the earlier information provided to him be re-examined and copies of the calls be provided to him at the request of the S.A.O.

On January 5, 2017 Lt. Cochran emailed the requested information along with the audio clips to A.S.A. Negrinelli.
