

Gilchrist Park Playground Ribbon-Cutting Ceremony Postponed

The ribbon-cutting ceremony for the recently opened Gilchrist Park Playground, which was originally scheduled for today, May 23, at 5 p.m., has been postponed due to expected heavy rain and thunderstorms.

In order to ensure the safety and comfort of all expected attendees -- especially the children -- the City has made the decision, with the agreement of the Friends of Gilchrist Park, to postpone today's scheduled ceremony to a future date yet to be determined.

Once the ceremony is rescheduled, announcements will be posted in the City's Weekly Highlights Report, on the City Facebook page and on the City website. We apologize in advance for any inconvenience this may cause.
