

Of the many concept designs you have seen tonight for the Boat Club and Bayfront Center site in Gilchrist Park, which one do you prefer and why?

What suggestions do you have to improve the design concepts presented this evening?

Do you think Punta Gorda would benefit in the long-term from more boater friendly amenities? What kinds of amenities would you like to see and where do you feel they are most appropriate?

Are there any other issues related to Charlotte Harbor, Gilchrist Park, and the accommodation of water-related and non-water-related recreation that you would like to call to our attention?

Thanks for your help and your ideas!
