

INFORMATION SHARING REPORT July 1, 2019

Way to Go!

Steve Gray has been with the City 25 years. He is the crew chief in our Parks & Grounds Division.

Great News!

The IT Department has 100% participation in the Wellness Challenge. Urged by peer pressure and a culture of team building and inclusiveness the IT Department is banning together to get fit! Best wishes to all that are participating to have a successful and fun experience.

Training!

City Fire personnel and Charlotte County Fire personnel participated in medical training with our Medical Director. The training focused pediatric injuries including trauma, child abuse signs and symptoms as well as medication administration.
